SUMMARY OF THE REASONS FOR DECISION:

The DVD entitled *Rubber Kiss* is classified as:
Objectionable except if the availability of the publication is restricted to persons who have attained the age of 18 years.

This publication is a DVD version of the video recording (OFLC Ref: 9901872) of the same title classified by the Office of Film and Literature Classification as objectionable except if the availability of the publication is restricted to persons who have attained the age of 18 years, with the descriptive note 'Contains explicit sex scenes.' This decision was registered on 2 December 1999.

The DVD contains material additional to the feature including a short behind the scenes report, trailers, a photobook, and cast profiles. However, these additional components do not affect the original classification given to the video recording.
